### Description

---

Metal Polish's quick and easy application makes painted surfaces, stainless steel, vinyl, metals, and wood furniture look like new. It leaves a protective shield to help prevent fingerprints or marks from appearing. Can be used on glass windows and doors to reduce frequency of cleaning and to repel finger and hand prints.

Sizes: 500 ml; 1 litre; 4 litre; 20 litre; 210 litre

### Product Features

---

Contains no chlorinated solvents, no CFC's, and no VOC's. Restores original lustre to stainless steel, chrome, aluminum, copper, brass, interior metal surfaces, and wood furniture. Cleans without abrasives or heavy creams.
