

Fire Services Laundry Detergent Concentrate

SmarterSolutions⁺_{TM}

For Bunker Gear, Coveralls, and Station Wear

- Removes smoke and perspiration odours
- NFPA 1851 Compliant
- Works in regular and high efficiency (HE) washing machines

Description

Designed to meet NFPA 1851 specifications, Fire Services Laundry Detergent Concentrate is formulated to remove smoke and perspiration odours from bunker gear, coveralls, and station wear. Using its natural odour destroying ingredients that do not harm the environment, the Laundry Detergent provides clean, fresh laundry and is gentle on your skin. Safe on all water washable laundry, it naturally softens and cleans with its mixture of enzymes, odour neutralizers, and surfactants made from renewable plant-based resources. Fire Services Laundry Detergent Concentrate is proudly manufactured in Canada.

Sizes: 500 ml; 1 litre; 4 litre, 10 litre, 20 litre

Product Features

Fire Services Laundry Detergent Concentrate is biodegradable, phosphate free, paraben free, phthalate free, ether sulfate free, and endocrine disrupting surfactant free. It is ultra concentrated and contains only non-GMO ingredients.

Directions for Use: Place garments in washer. Pre-treat stains and soiling if required with Pre-Wash Spot Cleaner & Degreaser. Add 30 ml / 1/8 cup of Fire Services Laundry Detergent Concentrate. For handwashing use half the above rate, soak for 5 minutes, rinse well.
