

HD Wheel Cleaner

SmarterSolutions⁺_{TM}

Acid Replacement

- Safely cleans wheels, chrome, bumpers, all types of metals
- No Caustics, No Acids, No Harsh Fumes

Description

HD Wheel Cleaner is a powerful and completely safe, non-corrosive all purpose cleaner for the removal of stubborn rust stains, grease, salt, and water stains from wheels, chrome, bumpers, and all types of metals. HD Wheel Cleaner's formula does not damage tires. It is non-caustic, non-acid, and has absolutely no harsh fumes. The HD Wheel Cleaner is so safe that the Canadian Food Inspection Agency has approved it for other uses in Industrial Food and Commercial applications.

Sizes: 500 ml; 1 litre; 4 litre; 20 litre; 210 litre

Product Features

A biodegradable product, HD Wheel Cleaner's non-damaging cleaning action makes it extremely safe to use; has absolutely no corrosive or harsh fumes; it does not damage tires; it is environmentally safe; and it is easy to use.

Applications

HD Wheel Cleaner safely removes heavy soils, grime, rust stains, and other unwanted debris from wheels, chrome, bumpers, and other metal parts of cars, trucks, and other equipment.
