

# Pre-Wash Spot Cleaner & Degreaser

SmarterSolutions<sup>+</sup>

**For Personal Protective Gear, Coveralls, & Station Wear**

- *NFPA 1851 Compliant*
- *Removes grease, excessive soot, and soiling*

## Description

Pre-Wash Spot Cleaner & Degreaser is a professional-strength laundry pre-treatment designed for Fire Services facilities. It is specially formulated to remove grease, excessive soot, and soiling on Personal Protective Gear, Coveralls, and Station Wear. Gentle enough to be used as a pre-wash for any challenging laundry application, it is particularly effective at removing oil and grease stains. Simply pre-treat soiled areas of water-washable fabrics with Pre-Wash Spot Cleaner & Degreaser. For best results, use in combination with Fire Services Laundry Detergent. It is a super concentrated, heavy duty, biodegradable plant-based cleaner made from renewable, regrowable resources.

*Sizes: 500 ml; 1 litre; 4 litre; 20 litre*

## Product Features

NFPA 1851 compliant, Pre-Wash Spot Cleaner & Degreaser contains no VOC's (Volatile Organic Compounds); it is highly concentrated and economical; it is free rinsing; it leaves no residue; it is user friendly; it is human-safe and pet-safe; and no special PPE required. Its organic ingredients are readily biodegradable in accordance with OECD 301 standards. It contains no forever chemicals.

## Applications

Used by professionals, businesses, large institutions, and industry. Particularly effective as a pre-treatment on oil and grease stains. Use as a pre-treatment on any water washable fabric.

Directions:

Spray and liberally saturate soiled area. If needed use soft bristle brush to loosen soiling. Allow to soak in for 10 minutes. Place in the laundry as usual.

## Physical Properties
