### Description

---

Stain Remover for Carpet, Fabric & Upholstery is a professional-strength, new generation activated oxygen cleaner and degreaser designed to remove organic stains and odours from laundry, carpets, and upholstery. It removes stains caused by urine, wine, and juices; it removes grease, mildew, and mold; it removes strong perspiration odours in laundry; and it provides completely color safe bleaching on any surface. Manufactured with hydrogen peroxide, surfactants, and natural degreasing agents, it is environmentally safe and non-hazardous.

*Sizes: 500 ml; 1 litre; 4 litre; 20 litre; 210 litre*

### Product Features

---

Accepted for use by the Canadian Food Inspection Agency (CFIA), Stain Remover for Carpet, Fabric & Upholstery can be applied through foaming equipment for greater adhesion on vertical surfaces. It contains hydrogen peroxide which oxidizes organic soils and stains. It has no forever chemicals. It is human-safe and pet-safe.
