

Toilet Cleaner

SmarterSolutions⁺

Acid Replacement

- Biodegradable
- Non-Caustic
- Non-Acid
- Non-Corrosive
- No Fumes
- No VOC's

Description

Toilet Cleaner is a powerful, completely safe all-purpose cleaner for the removal of stubborn stains, water scale, soap scum, rust, grease, mildew, and mold. Designed with a thicker consistency, Toilet Cleaner is ideal for surfaces and areas that require longer saturation times like tile, tubs, urinals, grouts, counters, bathroom sinks, and toilet bowls. Although its longer saturation time makes it particularly well suited for the type of stubborn cleaning jobs typically found in a washroom, Toilet Cleaner has many applications beyond a commercial, industrial, institutional, and residential washroom. For a sample of additional applications, see below.

Sizes: 500 ml; 1 litre; 4 litre; 20 litre; 210 litre

Product Features

Accepted for use by the Canadian Food Inspection (CFIA), Toilet Cleaner can be used with foaming equipment; it has absolutely no corrosive or harsh fumes; it is biodegradable and environmentally safe; and it easy to use.

Applications

Breweries	Descaling	Kitchens
Food Plants	Washrooms	Transportation

Surfaces

Stainless Steel	Copper	Quarry tiles
Porcelain	Aluminum	Terrazzo
Concrete & brick		Brass

Physical Properties

Physical State:	Liquid
Odour/Appearance:	Water thin, clear blue, mild odor
Specific Gravity:	1.04 +/-0.05
Solubility in water:	Soluble
Freezing Point:	0 °C / 32 °F
Boiling Point:	100 °C / 212 °F
pH:	11.5 +/- 0.2

- ✓ Environmentally Safe
- ✓ Biodegradable
- ✓ Non-Flammable
- ✓ Phosphate Free
- ✓ Non-Acid
- ✓ No CFC's
- ✓ No VOC's
- ✓ Non-Corrosive
