Description

SmartWash Sport Wash Activewear Laundry Detergent gets the stink out of smelly water washable athletic clothing. Gently scented with a pleasant fragrance, it preserves the wickability, breathability, SPF, and water repellency of athletic fabrics. SmartWash Sport Wash provides clean, fresh laundry using ingredients that do not harm the environment and are gentle on your skin. Using its natural odour destroying ingredients, it cleans and permanently removes odours within fabrics caused by perspiration. Safe on all water washable laundry, SmartWash Sport Wash naturally softens and cleans with its mixture of enzymes, odour neutralizers, and surfactants made from renewable plant-based resources. SmartWash Sport Wash is proudly manufactured in Canada.

Sizes: 500 ml; 1 litre; 4 litre; 20 litre

Product Features

SmartWash Sport Wash Athletic Laundry Detergent is biodegradable, phosphate free, paraben free, phthalate free, ether sulfate free, and endocrine disrupting surfactant free. It contains only non-GMO ingredients. Sport Wash resists fabric damage, resists colour fading, and is safe for sensitive skin. It contains no bleach, no fabric softener, and leaves no residue. No animal testing, no dyes, no optical brighteners, no forever chemicals. It is human-safe, pet-safe, and completely septic safe.

Directions

For light loads, use $\frac{1}{4}$ to $\frac{1}{2}$ capful and for heavy soiled loads use $\frac{1}{2}$ to $\frac{3}{4}$ capful. For handwashing, use half the above rate. Soak for 5 minutes. Rinse well.

Applications

Designed specifically for perspiration-soaked fabrics, Sport Wash removes stains and odors resulting from sweat and body oils. It also removes grass, blood, and oils. Used by sports teams and anyone that participates in an active lifestyle. Use for water-washable uniforms, sports bras, tank tops, leggings, workout shirts, shorts, jerseys, compressions, underwear, jock straps, and socks. SmartWash Sport Wash can be used safely on all water washable laundry.
